E PERIENCE

Critical new (and exciting) roles

✓ Sr. Director, Development & Release

✓ Product Owners

Adept
E✱PERIENCE

Critical new (and exciting) roles

- ✓ Sr. Director, Development & Release

- ✓ Product Owners

- ✓ UX Designers

- ✓ QA Automation Lead

- ✓ DevOps Engineer

- ✓ Mobile Developer

Adept
E✦PERIENCE

Problems you've asked us to solve…

- ✓ Quick, easy way to collaborate with others downstream

- ✓ Access for field workers, offline

- ✓ Visualization solution that grows in capability, non-Java based

- ✓ Better insight into "behind the scenes" Adept data

Adept
E PERIENCE

Collaboration Portal

1 Easy access to project documents for collaborators anywhere

2 One-click reconciliation with Adept

Adept Viewer

1 Ongoing, consistent improvements & enhancements

2 Future capabilities exceeding AutoVue

Adept Mobile

1 Native iOS and Android support

2 Support for offline viewing

Adept Insights

1 Your Adept data made accessible

2 New insights from your existing Adept data

Adept E✹PERIENCE

Our cloud-centric platform on which significant new capabilities will be built and delivered.

- ✓ Infrastructure in the cloud
- ✓ Browser-based, including administration
- ✓ New support for concurrent engineering change
- ✓ Highly secure, highly available

Our cloud-centric platform on which significant new capabilities will be built and delivered.

✓ Infrastructure in the cloud

✓ Browser-based, including administration

✓ New support for concurrent engineering change

✓ Highly secure, highly available

✓ *Whether you move to the cloud or remain on-premise with Adept, there will be an upgrade path for every Adept customer.*
